# Dear Friends

We've hosted numerous cruises and events over the years, but we've never been more excited about the opportunity

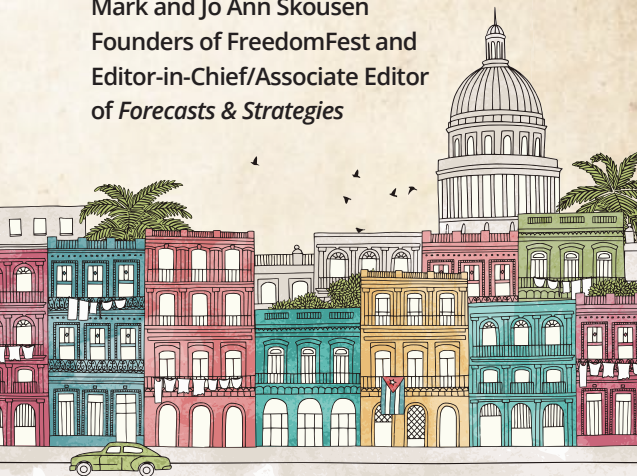

to explore a new country. Through political ups and downs, the culture and vivacity of Cuba has endured, and now we will experience it firsthand. We'll sail roundtrip from Miami on Oceania's luxury ship, *Insignia*, to explore historic Havana and two of Cuba's most interesting cities on Cuba's southern shore.

During the cruise, we'll also discuss the markets, investments opportunities, and proven strategies that build wealth and produce safe, steady income. You'll not only come away with beautiful memories of Cuba and our spectacular cruise together, you'll take home strategies to improve your life, your wealth and your future. And because we know you care about politics and freedom, we'll be talking about how Cuba changed from a vibrant economy to a communist dictatorship—and how to prevent it from happening in the free world today.

Some of our very best friendships have been forged as we travel. We hope you'll be numbered among them. Read on to learn more, and make your plans today to be part of this unforgettable experience.

The first is a strictly off-the-record pre-conference session in Miami on November 8 sponsored by **Rodolfo Milani and the Interamerican Institute for Democracy**, where you will meet some of the world's most revered Cuban freedom fighters, business leaders and politicians. The second is a one-of-a-kind custom tour of Havana with **Marissa Daniela**, the ONLY libertarian free-market economist residing on the island nation. She will take us on an insider tour of Havana that will reveal the REAL Cuba you can't experience from any other shore excursion or typical visitor tour. PLUS join us for a unique Cuban music experience that night, under the recommendation of our local Cuban-American guide!

# 7 GLORIOUS DAYS OF LUXURY AND LEARNING, ROUND

## EMCEE & HOST: Valerie Durham

Executive Director, FreedomFest

FRIDAY, NOVEMBER 8, 2019 PRE-CONFERENCE EVENT

## MIAMI, FLORIDA

Your unforgettable cruise to Cuba with the Global Financial Summit begins with an incredible pre-conference event where you will meet Cuban exiles and freedom fighters **Armando Valladares** (the blood poet of Cuba), **Rosa Maria Paya**, and **Carlos Alberto Montaner**, plus an exclusive line-up of business leaders and politicians with ties to Latin America, including our pre-conference host, **Rodolfo Milani and the Interamerican Institute for Democracy**. Learn first hand the political landscape and historical legacy of Cuba from these experts.

SATURDAY, NOVEMBER 9, 2019

## MIAMI, FLORIDA

People-watchers will enjoy South Beach's Ocean Drive, while architecture buffs will love the Art Deco District. If you're looking for something a bit different, there are world-class museums and shopping venues too. In Miami, there really is something for everyone.

*Please note, shore excursions on the first and last day of a cruise are only available for guests who are combining back-to-back voyages to create a longer cruise. Those guests may organize custom tours through the Destination Services Desk on board.*

SUNDAY AND MONDAY, NOVEMBER 10-11, 2019

## HAVANA, CUBA

The door to Cuba's soul, Havana captivates its visitors with its larger-than-life culture, sultry rhythms and weathered beauty. Once a posh weekend getaway for Americans, Cuba has lagged behind the western world under Castro's brutal regime. Nevertheless, you can take a relaxing stroll along the evocative Malecón, the quintessentially Cuban thoroughfare and get lost among the Baroque facades and colonial cobblestone alleys of Old Havana. Visit the grandiose Capitolio Nacional and explore the world-class Cuban art collection at Museo Nacional de Bellas Artes. Tour Havana's venerable old cigar factories, sip a daiquiri at Hemingway's favorite haunt, El Floridita, **or join our group for a guided tour of Finca Vigia, Hemingway's restored house-turned-museum near Havana**. Unlike most cruises that require you to be on board before dinner time to sail away, we will be staying overnight in Havana and enjoying two full days of experiencing the history and culture of this city, including our private tour with **Marissa Daniela**, a Cuban-American libertarian free market economist who will give us the insider story of the REAL Cuba.

TUESDAY, NOVEMBER 12, 2019

## SEMINARS-AT-SEA

The Global Financial Summit kicks off its premiere investment and wealth-building portion of this exclusive gathering with sessions including investment advisor and Austrian economist Dr. Mark Skousen and estate planning expert David Phillips. Within the luxurious ship lounge setting, you will learn the most effective and most current investment and estate planning secrets to grow and preserve your wealth today.

# NDTRIP FROM MIAMI TO HISTORIC, TIMELESS CUBA!

**WEDNESDAY, NOVEMBER 13, 2019**

## **CIENFUEGOS, CUBA**

Situated in a beautiful bay in the heart of Cuba's fertile agricultural region on the southern coast, Cienfuegos will quietly charm you with its French spirit, tranquil seaside setting and neoclassical architecture. Known as La Perla del Sur (the Pearl of the South), Cienfuegos was originally founded by French settlers and its city center is recognized as a UNESCO World Heritage site. Its historic center features well-preserved 19th-century structures, plazas and a layout inspired by the Spanish Enlightenment. Discover the ornate and eclectic Palacio de Valle and take in the stunning views as you explore Punta Gorda, the perfect spot to enjoy the sunset. Or discover nearby Trinidad, a remarkably well-preserved colonial town anchored by its impressive Plaza Mayor, an open-air museum of Spanish colonial architecture.

**THURSDAY, NOVEMBER 14, 2019**

## **SANTIAGO DE CUBA, CUBA**

A tropical and energetic cultural epicenter, Santiago de Cuba is the country's second largest city and has played an instrumental role in the evolution of Cuban music, literature and architecture. Wedged between the looming Sierra Maestra mountain range and the aquamarine Caribbean Sea, the city offers a rich heritage and cultural diversions amidst a dramatic backdrop. Discover the city's fascinating history at Castillo de San Pedro de la Roca and the Cementerio Santa Ifigenia, where Cuban hero José Martí and Emilio Bacardí Moreau of the famed rum dynasty are both buried. Countless musicians have emerged from this city, and many say the heart of this thriving city lives in its music scene.

**FRIDAY, NOVEMBER 15, 2019**

## **SEMINARS-AT-SEA**

Our journey into wealth-building continues on Friday with compelling financial sessions featuring retirement and real estate investment expert Gena Lofton and fund investment advisor Greg Galloway.
