WEDNESDAY & THURSDAY, MAY 16-17
Rome (Civitavecchia), Italy
Steeped in 2,500 years of history, Rome was for many centuries the center of Western civilization. It was both the focal point of the Roman Empire and of Christendom. Landmarks such as the Colosseum, Forum, Pantheon, Vatican, Sistine Chapel and Spanish Steps are reminders of the legacy of its rich past.

FRIDAY, MAY 18 • Florence/Livorno, Italy
Livorno, founded in the 15th century, is the gateway to Italy’s Tuscan region and to many spectacular sights, including the extraordinary Leaning Tower of Pisa and the timeless city of Florence. No place is as imbued with such grace, dignity and history as Florence, with its architectural and artistic treasures. It’s truly one of the world’s most enticing cities.

SATURDAY, MAY 19 • Villefranche, France
In a miracle of nature, the Côte d’Azur was blessed with superb natural beauty, sandwiched between the coastal mountains and the sea. Its sun-drenched slopes stretch some 60 miles westward from the border with the fairy-tale kingdom of Monaco, and includes the majestic cities of Nice, Monte Carlo, and St. Tropez, which host pleasure boats, yachts and all the other trappings of glamorous lifestyles.

SUNDAY, MAY 20 • St. Tropez, France
St. Tropez earned its glamorous reputation as a summer playground for celebrities, artists and writers. At the height of its popularity in the ’50s and ’60s, one could find Pablo Picasso, Françoise Sagan, Jacques Prévert and the classic movie actress Brigitte Bardot vacationing here. Its famous beaches are still frequented by affluent guests seeking its lively nightlife and a piece of the “St. Trop” allure.
MONDAY, MAY 21  Corsica/Ajaccio, France
Founded in 1492, the small town of Ajaccio was the birthplace of Napoleon, and reminders of this famous European leader are found everywhere. By the 18th century, Ajaccio had become one of the most resplendent villages in the Mediterranean, and is now the main town of southern Corsica. Nestled between the sea and the mountains, Golfe de Porto is located in the nearby Corsican Regional Natural Park and is considered a UNESCO World Heritage Site.

TUESDAY, MAY 22  Seminars-at-Sea
Enjoy a day of top-notch financial education as your ship sails the Mediterranean.

WEDNESDAY, MAY 23  Ibiza, Spain
Ibiza’s reputation as the birthplace of the rave and Christopher Columbus reveals its split personality. On the one hand, the island—located in the Mediterranean Sea off the coast of Valencia—is the “undisputed party capital of the world.” But this island and its city Ibiza Town have deep roots in Mediterranean history, as acknowledged by UNESCO with its designation of large portions of this movie-quality photogenic island and various cultural icons as World Heritage Sites.

THURSDAY, MAY 24  Barcelona, Spain
Barcelona, capital of Catalonia, is a celebration of history and heir to Greek, Phoenician, Roman, Carthaginian, Gothic and Arab cultural legacies. In addition to its abundance of artistic and architectural treasures, Barcelona serves as the gateway to one of the world’s most impressive mountainside enclaves at Montserrat. Barcelona’s ancient city walls and the narrow crooked streets of the town’s old section are laid out for your discovery. You will find that Barcelona has something for everybody.

FRIDAY, MAY 25  Seminars-at-Sea
Mix and mingle with our experts and other Chairman's Circle Members as you enrich your life and your portfolio.

SATURDAY & SUNDAY, MAY 26-27  Monte Carlo, Monaco
Monaco is an ancient principality steeped in rich and colorful history. Its proud monarchy is presided over by Prince Albert, who assumed the throne after his famed father, Prince Rainier, died in 2005. Today, with its modern skyline, it is hard to imagine that Monaco endured a turbulent past. Once a Greek settlement conquered by the Romans, it was bought from the Genoese in 1309 by the Grimaldis, who still rule as the world’s oldest monarchy. Monaco covers less than one square mile and is known primarily for its Grand Casino.

MONDAY, MAY 28  Marseille, France
Marseille is France’s oldest city and one of the Mediterranean’s premier ports. Amid the big-city bustle, the old port is a quaint landscape of historic charm: colorful fishing boats sail past the imposing Fort Saint-Jean, narrow streets wander among ancient churches and cobbled squares, while the venerable Basilica overlooks the scene from the hilltop above.
