Dear Fellow Traders:

Welcome to The Traders Expo New York! You are in for an exciting three days jam-packed with knowledge, wisdom, and trading advice that you will be able to utilize immediately. You will meet and share experiences with like-minded traders, while discovering new strategies, tools, and opportunities. This stellar line-up of speakers, panels, and companies will ensure that your Traders Expo experience will be one that will stand you in good stead for the year ahead.

The all-new format of the show, with 15-minute Preview Presentations, 30-minute Expert Briefings, and 60-minute In-Depth Presentations, will afford you the opportunity to garner different levels of education depending on your needs.

We have also changed our Final Schedule in order to help you easily find specific topics, speakers, and/or specialties that meet your needs while at the show. We have listed a shorter version of the speaker topics with their specialties in the daily charts on pages 3-11. However, the full version of the speaker listing can be found in the Speaker Times and Topics section on pages 12-21. We hope you like the new look and welcome any feedback.

As an added bonus, we also provide the opportunity for attendees to continue their Traders Expo experience by visiting our Web site, MoneyShow.com, to view Webcasts of select sessions from The Traders Expo.

As always, our goal is your financial success. Every time you attend one of MoneyShow’s educational tradeshows, you learn more about making your money work for you.

To your financial success!

The Producer cannot investigate transactions by exhibitors or evaluate the merits of any dispute with an exhibitor. The Producer suggests that if any dispute arises with an exhibitor or a speaker it should be pursued directly with the exhibitor or speaker and if the situation warrants use of any available remedy under appropriate law or regulations should be considered. Every trader and investor should consider all advice and all offerings of products and services on their own merits and for suitability to the individual's personal needs and circumstances.

The Producer strives to provide equal opportunity to all qualified persons to participate in this Event.
